The Social Crypto Platform That Rewards Its Members Trade, Mine & Be Social

We intend to deliver a rock-solid, user-focused framework that offers unparalleled flexibility between blockchain based digital assets and traditional markets.

It is our vision that newcomers to the digital economy will be able to get started with buying their first AcuteCoin instantly through our simple, supportive platform.

Ways in which AcuteCoin users can support the platform, and the overall ecosystem is by Staking, Mining, Lending, Trading and participating in our Affiliate program by referring others to our platform. These opportunities are strategically selected by the AcuteCoin team and are designed to be timely implemented as the platform and users numbers grow and make up a realistic roadmap considering the number of investment opportunities in the Crypto and Blockchain Technology Ecosystem.

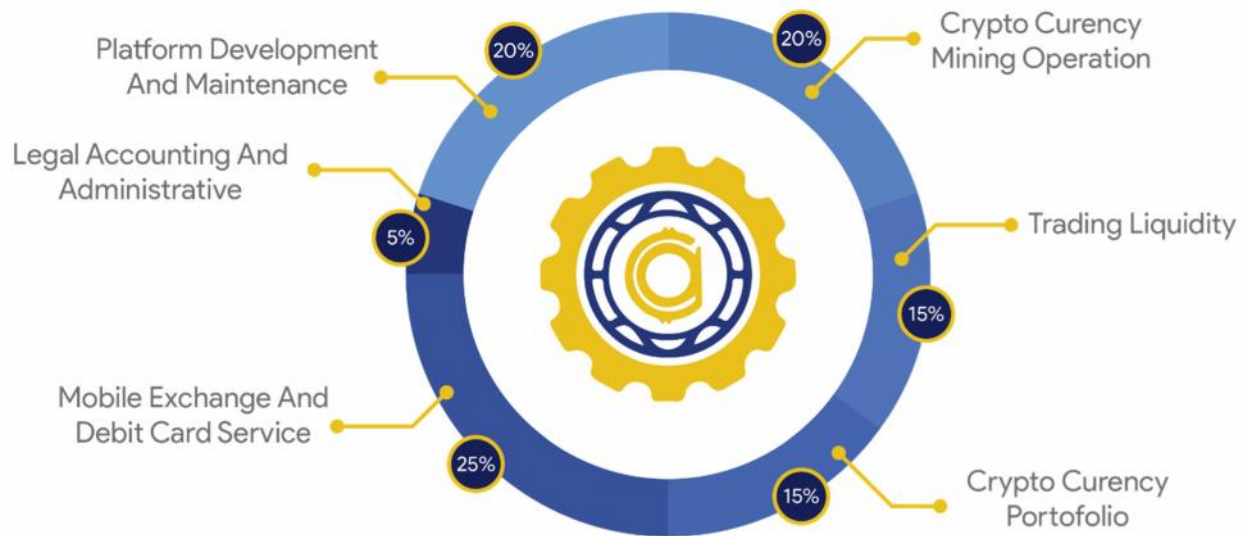

BENEFITS OF ACUTE COIN

Tangible Expansion Plans

We have concrete plans which our team is ready to implement. We intend to create a sustainable ecosystem that will reward all members of AcuteCoin.

- ▶ Coin built on the Litecoin platform with added features such as POW, POS with x11 algorithm for increase security.
- ▶ Physical Mining operations set to come online within 6-month post-ICO, located in cost-effective regions.
- ▶ Portfolio management with AcuteCoin trading in different cryptocurrencies and ICO's, with profit sharing amongst members.
- ▶ Merchant debit card platform to serve other cryptocurrencies allowing for another income stream within the community.
- ▶ Integration of a social platform allowing interaction between members. Use of Facebook to access account and quick access to support.
- ▶ Mobile cryptocurrency exchange App attached to the AcuteCoin debit card, enabling members to gain access to their cryptocurrency globally.
